ART

Leaves, Leaves, Leaves!

Art classes have been exploring the beautiful colors and shapes of Fall leaves. Oil pastels are a great medium for artists of all ages to use. Oil pastels are easy to blend to create the changing colors of Fall leaves.

Follow the amazing leaves in the FV art room :

MEDIA CENTER

- In Media Center we are becoming better digital citizens in 4th and 5th grade with Nearpod lessons about digital friendships, cyber safety, and personal vs private information.
- In 3rd grade we have been exploring how to search for books in the Media Center using our online catalog, Destiny.
- 2nd, 1st, and Kindergarten have been enjoying Fall and Halloween themed books including the re-emergence of *Creepy Carrots* in the Media Center!!!

MUSIC

Hello!

5th grade is working hard, preparing their music for the fifth grade winter concert! This concert involves all 5th graders and takes place on **December 11th at 7 pm** in the Fogelsville Gymnasium!

4th grade is about to learn more about the music of the Southeastern region of the U.S.

3rd grade is beginning recorders and learning more about the instruments of the orchestra!

It's all fun and games for **2nd, 1st and Kindergarten** as we learn to sing, play and dance in a tuneful, artful and rhythmic way.

PHYSICAL EDUCATION

In the month of November, all grade levels will be working with their feet!

Be on the lookout for information regarding this year's Fox Trot for **4th and 5th grade** students.

K and 1st grade will be working on games and activities to teach and improve upon their kicking skills.

2nd through 5th grade will be participating in games and activities that will improve upon their soccer strategies and skills.
