

WAX MUSEUM UPDATE

Don't forget – Next **Tuesday, May 28th** is the Third Grade Wax Museum! Please help your child prepare for this by practicing their lines at home, and making sure they're prepared with a costume and/or props for the big day.

The Wax Museum will be held in the **Gym**. We will begin around 11:00, and the presentation will take no longer than 20-30 minutes. **Please park in the back parking lot, and enter through the gym doors.** You will sign in and exit at those doors as well.

We are excited to share this awesome project and all of our hard work with you! See you next week!
